*Three Rivers, CA* – Leave the driving to someone else, and enjoy your time off! Take a free shuttle inside Sequoia National Park. This year's shuttle season starts on May 24 and continues through September 9. Visit popular sites, including the General Sherman Tree (the world's largest living thing by volume), Moro Rock, Crescent Meadow, and more. In addition, this year, visitors will be able to take a new route between the General Sherman Tree and Wolverton parking areas.
